Dear Constance:

Thank you so much for the contribution in memory of Bob Welch, We have loved him and his wife for all the support they offered us through the years. He was always thinking up ways to help us and I see Barbara has followed with his thoughts.

It saddened our hearts we wish we had known, but we know God has him in the palm of His hand.

May God continue to bless the class of 57 for their thoughtfulness of others.

In Jesus,
